CRRA Members Weekly Update

Community Letter

Happy Friday CRR!

If you're keeping up, you'll recall that exactly one month ago to the day I shared some pictures of events and activities from the CRR past and made reference to some "Coosawattee magic some people might like to see make a comeback one day".

I received quite a few nostalgic comments from residents sharing fond memories of years past along with hopes for the future, so I'm thrilled to share the schedule of events planned for this year. Here's what's headed your way for 2022!

Pick N' On the Porch

Date/Times: 2nd and 4th Saturday night, 7pm - 9pm

Dates: May through October

Location: Tubing Co.

I asked a few folks who would know, and the information I have says some of this hasn't happened since about 2018/19, and some hasn't happened in longer than that, so there's probably a ton of people who have never experienced any of these events during the time they've lived in the resort, myself included. Save the dates and bring your friends and family!

On the same topic of events, we also have the complete line up for Pickin' this year:

Pickin' on the Porch

2022 Season

5/14 - The Band Raven

5/28 - Loose Shoes Band
6/11 - Courtney Daly & the Daly Grind
6/25 - The Brandon Wiley Band
7/9 - Ethyl's Envy
7/23 - The Bearfield & Foley Band
8/13 - 7 Licks
8/27 - Venae & The Vybbe
9/10 - Last Call Band
9/24 - Surrender Hill
10/8 - Gregg Erwin & 200 Proof
10/22 - Traveling Downbeats

There's so much more planned for the year that I'll be able to share as we move forward, so keep in mind there's a lot more exciting news coming in the weeks and months ahead. I know roads is the number one priority, but events like these can really change the vibe in the community and make a positive impact.

While not related to paving specifically, the Association recently acquired two new service vehicles to work on replacing some of the aging fleet:

New flatbed dump truck

New service truck

These much needed trucks will provide years of service to our hard working Facilities & Public Works teams to continue to

support both the infrastructure and aesthetics of the community, such as getting the Eagle Mountain gatehouse painted after pressure washing:

Speaking of which, we are very honored to announce that our very own Facilities & Public Works Manager, Greg Collis, was the recipient of the 2021 "Build Great Relationships" award for FirstService Residential in the Georgia region.

Our Values:
There are dozens and the following listed below
to define our values. In brief, we seek to build
a team of all stars who, in partnership, will work
hard to make our company a more vibrant place.

- Do what's right
- Own it
- Go High
- Build Great Relationships

Multi-Unit Achievement
GREG COLLIER

“Build Great Relationships” is one of the six Core Values that FirstService Residential holds dear. Greg was selected as the outstanding team member by our Regional Directors and other staff members because of his willingness to continue to build an outstanding rapport with team members, vendors, and throughout the community. We are very proud of Greg’s accomplishments and are pleased to share the news of this award. The next time you see or speak with Greg, please congratulate him on this phenomenal accomplishment!

Well, I think that's about it for this week. The CRR staff is hard at work all around the community every single day, and we think everyone is going to begin to see and enjoy the real, visible results of so many people's hard work over the last 18 months.

Until next week,

Racey Cave
Asst. General Manager

- Use recommended varieties.
- Prepare the soil thoroughly.
- Fertilize according to recommendations.
- Plant on schedule.
- Control weeds, insects and diseases. Use a mulch.
