CRRA Members Weekly Update

Asst. General Manager Community Letter

Happy Friday CRR!

As you can imagine, it's been a busy week. The only update to share this week is that we've contracted Geosystems to begin work on the Nexus Rd. failure. The survey work has been completed and core sample drilling will begin soon. During that time the engineer will be able to make a determination on the safety of potentially reopening a single lane. We'll keep everyone updated as to progress.

Until next week,

Racey Cave
Asst. General Manager

GM Send Off

The employees and the Board held a small 'send off' luncheon today for our departing General Manager, Regina Valladares.

Congratulations and best of luck to her in starting a new chapter.
You will be missed!

A Message From Your Environmental Conservation Committee

The holidays are accompanied by far more paper, boxes, plastic and glass than any other time of the year. *Please* do your part and plan to recycle all that you can recycle. You can take everything but glass to the Coosawattee Convenience Center!

Jasper will accept glass and a host of other materials but you will have to separate paper from plastics.

Do your part and keep the landfill contributions to a minimum!
