## CRRA Members Weekly Update

### Community Letter

Happy Friday CRR!

Though I didn't attend, we had a solid turnout for the Community Sale last weekend.

Other than the Board meeting tomorrow, the only thing to be aware of this week is that Georgia Power crews are scheduled to begin work on Ogden Dr. beginning May 3rd.

Message boards and traffic control will be in place, and detours will be marked, but expect delays and use an alternate route if at all possible.

Until next week,

Racey Cave

## 2022 Annual Election

Applications are being accepted now through May 6th at 5:00pm EDT for the 2022 annual election for a seat on the Board of Directors, with each neighborhood having one open seat to be filled.

To be eligible for the open seat for your neighborhood you must be a property owner in good standing, meaning that there are no monies owed to the Association that are more than 30 days past due. To submit your application, click [here](#) and return your completed application via email to [applications@mycrra.com](mailto:applications@mycrra.com) or deliver by hand or mail to the POA offices located at:

Attn: Management  
634 Beaver Lake Dr. #5160  
Ellijay, GA 30540

## Blast From the CRR Past

## A Message From Your Environmental Conservation Committee

If you think picking up dog poop is unpleasant, try swimming in it!

[www.cleanwatercampaign.com](http://www.cleanwatercampaign.com)

Pet waste will make its way to our ponds and rivers via our

streams and storm runoff. Poop will decay in the waterways but will use oxygen in the process, leading to a harmful environment for fish and other aquatic life. Fun fact: one gram of poop (about the weight of a business card) contains about 23 MILLION fecal coliform bacteria; some of which cause disease in humans. Do you want to swim in that?

So pick up your poop and either flush it down your toilet (yes, its ok but not with the bag...) or put in in the garbage. Look for information on sustainable solutions for poop pickup!

## Announcements

- There will be a meeting of the Board of Directors tomorrow morning, April 30th, at the Water Tower beginning at 9:30am. Residents are invited to attend in person or via Zoom. To register to attend over Zoom, please use the following link to register:

[https://us06web.zoom.us/webinar/register/WN\\_IBYdlur6TXS7uVGhCUletA](https://us06web.zoom.us/webinar/register/WN_IBYdlur6TXS7uVGhCUletA)

- With the nicer weather, we are seeing an uptick in UTV and ATV traffic on private roads. With so many new residents we wanted to mention that UTVs and ATVs need to be registered before being used in the community (just stop by the POA offices). Also, please be mindful that some roads are private roads not owned or maintained by the Association. If a road is marked private, please consider it private property and do not proceed.
- EMC Water is going paperless! If interested in discontinuing your paper bill or enrolling in auto billing, please email to [lindakey@myccra.com](mailto:lindakey@myccra.com) with your correct email address, phone number, account number or lot number.
- If you're new and wondering how you get one of those nice-looking 911 address signs, you can find the order form by clicking [here](#).

- You can log in to view documents and make dues payments by visiting:

- Do not speed! Make sure to follow the speed limit. This is not only to avoid accidents but to also reduce the amount of dust for your neighbors.

## Job Openings

We want you to join our team here at the  
Coosawattee River Resort!

We offer paid time off, paid health insurance, and paid national holidays for all full-time employees.
