## CRRA Members Weekly Update

### Asst. General Manager Community Letter

Happy Friday CRR!

The only real business this week is an update on the bathhouse door project. At this point we have received all the hardware, everything has been set up and configured, and the installation phase is kicking off beginning with the bathhouse at the Ogden RV park. I don't want to give a predictive timeline on completion, but Facilities & Public Works aware of the high priority of the project.

As we mentioned last week, the adoption process for everyone couldn't be easier. If you have a PIN code for the gate system, that same PIN code will work at all doors of all bathhouses 24 hours a day. The only thing to be aware of is how that PIN needs to be entered, which is to press \*, enter your PIN, and then press #. So, if your PIN code was 12345, you would enter it as \*12345#. We'll also have signage that includes instructions at each location.

Shortest newsletter ever this week? Maybe! All the more time for you to get out, maybe hit the square for the parade, and get geared up for the weekend. I know for some folks, preparation for the Apple Festival is going to the grocery store so you can hunker down and not leave the house all weekend. Whatever we all have in mind, let's get after it and we'll be back next week.

Have a great weekend everyone!

Best Regards,

Racey Cave

Asst. General Manager
