### Community Letter

Happy Friday CRR!

Today is the last day to submit your vote for the Annual Election electronically or by mail as long as your ballot is post marked by 5:00pm today. If you voted electronically this year, your e-proxy for the Annual Meeting will become available beginning tomorrow and will be available through August 19th (the day before the Annual Meeting).

The Finance Committee will be meeting next Tuesday the 26th at the Water Tower at 1:00pm. Residents can attend in person or via Zoom by clicking the following link once the meeting has begun:

<https://us06web.zoom.us/j/83712742545>

The Board of Directors will be meeting the following Saturday the 30th at 9:30am, also at the Water Tower. Residents can attend in person or can register to attend via Zoom by clicking the following registration link and entering your information:

The last thing to mention this week is that we encourage you to use the newly available parking area on the barn property when attending Pickin' on the Porch once parking at the bus stop across the street is full. We're requesting

there be no parking on the newly laid asphalt along Eagle Mountain Drive. Thanks in advance for your consideration.

Hope you've all had a great week and are looking forward to the weekend!

Until next week,

Racey Cave  
Asst. General Manager

### A Message From Your Environmental Conservation Committee

#### Eco Fishing Tackle

Other Eco Fishing Tackle and Equipment: Anglers have several other eco-friendly options nowadays. For example, when you're choosing hooks, opt for circle hooks instead of J-hooks to minimize internal damage if you're practicing catch and release. Look for rigs made of materials like glass beads. Pick knotless nets. Instead of using fresh bait collected from fish habitats, choose artificial. And when you're picking out other gear like waders, bags or boxes, look for those made from recycled materials.
