Note From the General Manager's Office

Greetings,

We hope everyone had a good week and is having a wonderful holiday!

We have a lot to be thankful for in the community and a lot going on!

The guard railing has been installed at the recently re-opened Nexus Dr. It looks good, and with the stabilization and rebuild completed, we're confident this area will be safe and secure for years to come. Paving will commence soon, weather permitting.

Current state of progress:

The new playground amenity at Fish Trap Park is coming along quickly. The estimate for completion is roughly the end of next week. Please refrain from entering the work area until everything is complete. Here are a few pics of the progress.

Tuesday mid-day:

Progress as of Wednesday morning:

By now, owners should have received a link to the budget survey. We look forward to hearing back from you all and will use the information as we move forward with the budget planning process. In case you missed it, please click on the link below.

The staff is thankful for all of the support and thoughtfulness that they receive on a regular basis from the Coosawattee Community. We continue to see smiles everyday and we appreciate you!

We hope you all have had a Happy Thanksgiving!

If there is anything that we may do to be of service, please do not hesitate to reach out.

Until next week,

Racey Cave
Asst. General Manager

A Message From Your Environmental Committee

The average American will throw away 600 times their weight in garbage during their lifetime. For a 150lb person, that equates to 90,000 lbs of garbage. For more recycling facts and tips, please visit wm.com.

Pick a Train that features a toy needed for this Christmas.

Please be sure to include the train to the new unwrapped toy.

This will help us keep track of the items in need.

We thank you for your support during this Holiday Season.
