CRRA Members Weekly Update

Community Letter

Happy Friday CRR,

I know this is late coming out, but it's been a busy week and a long day. I have a message from our General Manager to share this week:

There has been disagreement and misunderstandings on the proceedings as to what is going on with Build an Ark.

This has been a litigious process that was referred to our legal counsel and then presented to the County/State court system for direction.

The court system acknowledged the rights and request of the community, and therefore allowed us to be able to close the situation with a tenant. In accordance of the Judge's order, we will work to schedule the animals to be off property within 10 days. The tenant has been given an order, from Gilmer County Magistrate Court, that they shall vacate the property within 30-days. The management staff will work directly to assist with this process.

Coupons –

We have received several calls and comments regarding the recent letter that was received. This letter was sent to all homeowners in order to be delivered by April 1. All notification of assessments must be sent 30 days prior to the actual assessment which will occur May 1. Coupon Books will be sent out in the next two weeks.

That's all we have for this week. From what I see around town, most folks have foregone the masks, but you might want to keep one handy... The Pollening® is imminent!

Until next week,

Racey Cave
Asst. General Manager

A Message From Your Environmental Conservation Committee

Deer Resistant Plants

It's Spring and time to plant! Here in Coosawattee planting flowers, shrubs and trees can be a challenge due to the high deer pressure. And what the deer don't get, the rabbits will! We face more challenges than many neighborhoods because the deer will tend to eat things here that they would ordinarily bypass in other settings. With that said, you CAN be successful! Choose wisely and protect shrubs and trees in their early stages of growth. Deer tend to avoid plants with pungent odors like rosemary, thyme and basil. They also do not like prickly leaves so choose plants like juniper, pine and spruce. Remember...deer resistant does not mean deer proof. The UGA extension has a wonderful list of deer resistant (tolerant) plants.

Announcements

- EMC Water is going paperless! If interested in discontinuing your paper bill or enrolling in auto billing, please email to lindakey@mycrra.com with your correct email address, phone number, account number or lot number.
- If you are planning to do any additions or modifications to your property, please check first with the ARC Dept. for specific requirements or approvals needed to obtain a permit. No one likes additional fees, but not obtaining proper permits in advance could subject you to fines.
- If you're new and wondering how you get one of those nice-looking 911 address signs, you can find the order form by clicking [here](#).
- You can log in to view documents and make dues payments by visiting:

<https://coosawatteeiverresort.connectresident.com>

- Do not speed! Make sure to follow the speed limit. This is not only to avoid accidents but to also reduce the amount of dust for your neighbors.
- Be aware of any suspicious activity or prowlers! Always contact the Sheriff's office and report to Management.
