## Note From the General Manager's Office

Greetings,

We hope everyone has had a good week!

Guard railing is being installed on Nexus Dr. which should be completed and the road re-opened next week. Pacer Ct. remains closed at this time.

Newport Dr. at Fife Bridge has reopened, but please exercise caution in the area. Guard railing will be installed here as well, followed by paving, weather permitting:

We've broken ground on the playground installation beginning at Fish Trap Park. We'll include updates as the work progresses and will share a photo collection once this new amenity has opened:

As we mentioned last week, Toys For Tots collection boxes are located at the POA office and the Rec Center. We are in need of a new, unwrapped toys to spread joy and cheer during this holiday season. There are little trains that feature a toy in need for local families. Take a train and be sure to include the train when you drop off your toy:

With the cold weather settling in for the season, please remember to winterize any pipes that may be susceptible to freezing.

Also, if you have trees that are encroaching on power lines, please contact Georgia Power to report the problem. Click [here](#) for more information about Georgia Power's vegetation management program, or give them a call at 888-660-5890.

As we are approaching Thanksgiving Week, a time for celebration and giving thanks with our Friends and Families, we wanted to share the POA's operating hours.

- 11.23.22 Wednesday - (Day before Thanksgiving) – POA Closes at 2pm.
- 11.24.22 Thursday - Thanksgiving – POA closed
  - Amenities/Rec Center: Closes at 4p
- 11.25.22 Friday - Day after Thanksgiving – POA closed
- 11.26.22 Saturday - POA open until 1p.

On behalf of the entire team of Coosawattee River Resort, we wish you and your families a time filled with Happiness, Safety and Thanks! We hope you and yours have a wonderful holiday and enjoy some delicious Turkey - Gobble-Gobble!

If there is anything that we may do to be of service, please do not hesitate to reach out.

Until next week,

Racey Cave  
Asst. General Manager

**A Message From Your Environmental Committee**

Recycling saves trees! Recycling a single aluminum can

could run a TV set for three hours. Seven cans could power a 60-watt bulb for 26 hours. One ton of cardboard can save the world 46 gallons of oil. Recycling a three foot high pile of newspapers can save an entire tree. Old newspapers can be used as seed tape, to eliminate odors in stored shoes, or to clean windows.

Pick a Train that features a toy needed for this Christmas.

Please be sure to include the train to the new unwrapped toy.

This will help us keep track of the items in need.

We thank you for your support during this Holiday Season.
